4. At the **My Content** page, click on the *PrepU* title or the **Student Resources** link adjacent to it, then click on the access link for your *PrepU* title (example link: **Access PrepU for Smeltzer 12e**).

Returning Users

If you have already registered at thePoint, you can click on **Return User** and log in to access the **My Content** page. If you want to add a new PrepU title to your My Content listing, click on the **Add a New Title to My Content** link in the box in the upper right corner beneath the green banner and complete the activation steps. If you are not sure you have an account, you can use the **Find Your Password** or **Help** links, or follow all steps above as a **New User**.

(The *PrepU* title here is just an example and may or may not match yours.)

***NOTE:** You will only use **thePoint Access Code** ONCE for the initial registration. From that point on, you will only need to log in to thePoint using your email address and password to have access to your *PrepU* title.
